to develop the carrying trade under the flag of the United States, and I advocated, for one, the shipping bill which has been made law only because after we had waited indefinitely for after we had waited indefinitely for private enterprise to undertake the Wilson for re-election. Early in the lie Davis Hogas.

LYNCHIBLE, VA. November 1.—01 thing, it had not undertaken it and it campaign that newspaper declared died has night at his home. Mr. 110 would not wait; it had to be undertaken. But it was undertaken with carefully the utterances of both canthe understanding, that it government didates before deciding to independ IF FOOD DISAGREES 2.55 the understanding, that if government didates before deciding to indorse took the initiative, the government was to withdraw when private capital was ready to take its place, that the object was not to forestall and provent private capital, but to go where private capital would not go. It seems to me that furnishes an example of the relationship that may exist in many other matters, between governmental action and private initiative. When things are necessary to be done, the government ought not to hesitate to do them if somebody else does not undertake it, and, therefore, social relationships can be guided, the relations of classes to each other can be organised, by government influence and

It was at this point that Mr. Wilson made the reference to "the use of our foreign relationships for political advantage," quoted in the f regoing, and

in conclusion he said: "I am glad we are near the end of a political campaign when the dis-tempers of prejudiced discussion will be broken twey by the wholesome airs to which we are accustomed in this country, and begin to think of each other as co-operating lovers of their country, when men will cease to Rev think of each other as antagonists, and begin to think of each dignity unless it is accompanied by large, definite, avowed patriotic pur-
